

Caring for Residents with Substance Use Disorders In Long-Term Care

VIRTUAL SUMMIT

October 12, 2023

2:00 pm - 3:00 pm

PURPOSE

The purpose of the Substance Use Disorder in Long-Term Care (SUD in LTC) Virtual Summit Series is to provide long-term care facilities (LTCFs) in Massachusetts (MA) with up-to-date, relevant, and usable information for the care of residents with SUD.

NURSING HOME NALOXONE POLICY & PROCEDURE TOOLKIT

This virtual summit will provide an overview of the Nursing Home Naloxone Policy and Procedure Toolkit, the policies and procedures that nursing homes can implement, and how they can be tailored to meet the needs of individual facilities to promote preparedness to care for residents with opioid use disorder and ensure access to this life-saving drug.

Who Should Attend?

Long-term care facility leaders and staff including:

- Administrators
- Rest Home Managers
- Case Managers
- Substance Use Disorder Counselors
- Directors of Nursing
- Nursing Staff
- Social Workers
- Medical Directors
- Admission Coordinators
- Care Providers
- Others

This virtual summit will be presented by Robert C. Accetta, RPh, BCGP, FASCP, who is a senior pharmacist in IPRO's Healthcare Quality Improvement department.

Staff who work in MA LTCFs are eligible to receive a \$25 gift card for attending this virtual summit!

Note: In order to receive the gift card, LTCF staff must attend the entire session and provide a valid email address.

Please register by **September 26th** to secure your spot!
