

# BMC Grayken Center for Addiction TTA

## X-Waiver Trainings

This eight-hour course prepares physicians, nurse practitioners, and physician assistants to prescribe buprenorphine to treat opioid use disorder in their office. The course fulfills 8 hours of the training needed to obtain a waiver to prescribe buprenorphine.

Please [click here](#) to register for the training. CME credits and a certificate of completion will be provided following the completion of both Part 1 and Part 2.

### 1st Option
