

## MassMAP 101

**Please note that orientation sessions are open to MassMAP members only.**

Are you new to your facility? Do you know about the Massachusetts Long Term Care Mutual Aid Plan (MassMAP) or need a refresher? Join us for a MassMAP Training and Orientation session which includes the following:

- An overview of MassMAP
- Surge/influx Process
- Transportation Evacuation Survey
- Entering Facility Data on the MassMAP website
- Emergency Reporting Practice

**Target Audience:** New MassMAP members as well as staff who are not familiar with the MassMAP website. Anyone having difficulty doing emergency reporting during MassMAP activations are encouraged to attend.

**Attendee Requirements:** Attendees will be required to register as users on the MassMAP website and complete pre-work. A laptop will be needed during the session to assist with updating information in the MassMAP system. **Only one laptop per facility will be required.**

**Space is limited to two attendees per facility and registration will be on a first-come first-served basis.**

**Please choose one session**
